
ETHNO VISION

making knowledge visible

About us

We are a collective of five **visual anthropologists** and filmmakers who believe in the power of audiovisual storytelling. Our mission is to highlight insights, experiences and stories with a **social-political focus**. As our name suggests, we value people and employ a **collaborative approach**. Engaging audiences, raising awareness and facilitating discussion.

What we do

Our **filmmaking** and **research skills** enable us to offer a range of services suitable for various contexts.

Our expertise includes **documentary** and **ethnographic films**, **editing**, photography, **photovoice**, quantitative and **qualitative research methods** and data analysis.

ethnovision is the bridge between you and a wider audience.
Contact us for additional information, possible collaboration or advice.
